Employer	Employment Types	Job Titles	Major Groups	Job Types	Work Authorization	Industry	Status		
Accenture - Accenture Technology	Full Time		Accenture Technology Development Analyst		Job	US work authorization is required	Corporate	approved	
ACCO Engineered Systems - Engineering Dept	Full Time		Mechanical Engineer, Interns	Mechanical Engineering	Job	US work authorization is required	Corporate	approved	
Avast	Full Time		2018 Summer Internsp		Job, Internship	US work authorization is required	Corporate	approved	
City of San Jose - Public Works and Transportation Departments	Full Time, Part Time		Please visit our career page at https://sanjose.gov/careers	Mathematics, Zoology, Animal Science, Information Systems Management, Computer Science, Computer Programming, Mechanical Engineering, General Engineering, Electrical Engineering, Construction Engineering, Civil/Environmental Engineering	Job, Internship	US work authorization required	Government	approved	
Clover Network, Inc.	Full Time			User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming, Network Engineering, Mechanical Engineering, Materials Science & Engineering, Industrial Engineering, General Engineering, Electrical Engineering, Construction Engineering, Computer Engineering, Civil/Environmental Engineering, Chemical Engineering, Biomedical Engineering, Aerospace Engineering		US work authorization is required	Corporate	approved	
Coham - Advanced Electronics Solution	Full Time	RF Product Electrical Engineer, Quality Engineer	RF Product Electrical Engineer, Quality Engineer	Industrial Engineering, Mechanical Engineering, Materials Science & Engineering, Electrical Engineering	Job	US work authorization	Corporate	approved	
Cradepoint	Full Time		https://cradepoint.com/company/careers	Mathematics, Statistics, Chemistry, Network Engineering, General Engineering, Mechanical Engineering, Electrical Engineering, Computer Engineering, User Experience/Social Computing, Software Design, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Job, Internship	US work authorization is required, but the employer is accepting OPT/CPT candidates	Corporate	approved	
FiveEye	Full Time			Statistics, Network Engineering, Computer Engineering, Software Design, Data Mining, Information Systems Management, Cyber Security, Computer Science, Computer Programming	Internship	US work authorization is required, but employer is willing to sponsor candidates	Corporate	approved	
Focal Systems	Full Time				Job	US work authorization is required, but the employer is willing to sponsor	Corporate	approved	
Ford Motor Company	Part Time		Ford Motor Company Product Development Summer Intern	Mechanical Engineering, Materials Science & Engineering, Electrical Engineering, Computer Engineering, Chemical Engineering, Aerospace Engineering	Internship	US work authorization is required	Fair Sponsor	approved	
Forensic Analytical Consulting Services	Full Time			Oceanography, Natural Resource Management, Geology/Mining, Forestry, Earth Sciences, Fisheries & Wildlife, Conservation, Cartography, Statistics, Physics, Mathematics, Chemistry	Job	US work authorization is required	Corporate	approved	
Gigamon	Full Time	None	Please visit our career page at https://www.gigamon.com/	Network Engineering, Mechanical Engineering, Materials Science & Engineering, Industrial Engineering, General Engineering, Electrical Engineering, Construction Engineering, Computer Engineering, Civil/Environmental Engineering, Chemical Engineering, Biomedical Engineering, Aerospace Engineering, User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Job, Internship	US work authorization required, but employer is willing to sponsor candidates	Corporate	approved	
GSE Construction Company, Inc.	Full Time	Project Engineer	Project Engineer	Mechanical Engineering, General Engineering, Construction Engineering, Civil/Environmental Engineering	Job, Internship	US work authorization is required	Corporate	approved	
Hewlett Packard Enterprise	Full Time		Please visit our career web page at https://careers.hpe.com	User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Internship	US work authorization required, but the employer is willing to sponsor candidates	Corporate	approved	
Houzr- Tech Recruiting	Full Time, Part Time		https://www.houzr.com/jobs	Software Design, Data Mining, Cyber Security, Computer Science, Computer Programming, Electrical Engineering, Computer Engineering	Job, Internship, Graduate School	US work authorization is required, but the employer is willing to sponsor candidates	Corporate	approved	
HP, Inc.	Full Time, Part Time		Summer 2018 Internships	User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming, Network Engineering, Mechanical Engineering, Materials Science & Engineering, Industrial Engineering, General Engineering, Electrical Engineering, Construction Engineering, Computer Engineering, Civil/Environmental Engineering, Chemical Engineering, Biomedical Engineering, Aerospace Engineering, User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Job, Internship	US work authorization is required	Corporate	approved	
Inaki, Inc.	Full Time			Network Engineering, Mechanical Engineering, Materials Science & Engineering, Industrial Engineering, General Engineering, Electrical Engineering, Construction Engineering, Computer Engineering, Civil/Environmental Engineering, Chemical Engineering, Biomedical Engineering, Aerospace Engineering, User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Internship	US work authorization is required, but the employer is accepting OPT/CPT candidates	Fair Sponsor	approved	
Mazy's, Inc.	Full Time		Software Engineer opportunities	Computer Engineering, User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming	Internship, Job	US work authorization required	Corporate	approved	
Marvel Semiconductor	Full Time		Engineering Intern, Operations, IT	Software Design, Information Systems Management, Computer Science, Computer Programming, Industrial Engineering, General Engineering, Electrical Engineering, Computer Engineering	Job, Internship	US work authorization is required, but the employer is accepting OPT/CPT candidates	Fair Sponsor	approved	
Maxim Integrated	Full Time		Please visit our career page at http://www.maximintegrated.com	Electrical Engineering	Job, Internship	US work authorization required, but employer is willing to sponsor candidates	Corporate	approved	
MGE Underground Inc.	Full Time		Field Engineer Entry Level	Electrical Engineering, Civil/Environmental Engineering	Job, Internship	US work authorization is required	Corporate	approved	
MTI Corporation	Full Time			Oceanography, Natural Resource Management, Geology/Mining, Forestry, Fisheries & Wildlife, Earth Sciences, Conservation, Cartography, Statistics, Physics, Mathematics, Chemistry, Zoology, Physiological Science, Microbiology, Marine Biology, Immunology, Genetics, Entomology, Ecology, Biology, Network Engineering, Mechanical Engineering, Materials Science & Engineering, Industrial Engineering, General Engineering, Electrical Engineering, Construction Engineering, Computer Engineering, Civil/Environmental Engineering, Chemical Engineering, Biomedical Engineering, Aerospace Engineering, User Experience/Social Computing, Software Design, Library Sciences, Information Systems Management, Data Mining, Cyber Security, Computer Science, Computer Programming, Plant Sciences/Horticulture, Animal Science, Agriculture	Job	US work authorization is required, but the employer is accepting OPT/CPT candidates	Corporate	approved
