Congratulations!
You’re graduating!
You discovered what powers you at San José State. Help Spartans who follow you do the same.

Celebrate your fellow graduates by contributing to the 2014 Senior Gift
Every gift—big and small—makes a difference.

Give $20.14 or more, and vote for the program that this year’s Senior Gift will support:

**SJSU Alumni Association Scholarship Program**
Spartans take care of each other. Two outstanding students from each of SJSU’s colleges are chosen every year to receive an SJSU Alumni Association Scholarship. Selected based on academic excellence and community service, these students exemplify the Spartan spirit: they use what powers them to impact SJSU, their communities and the world.

**The Student Emergency Fund**
We all need a little help sometimes. The Student Emergency Fund is available to provide financial assistance for out-of-pocket expenses to students involved in unforeseen, emergency events or situations—

from theft to severe illness—that affect their ability to function as a student. These one-time funds can help with tuition, temporary housing, groceries, medical expenses and other necessities.

**Educational Opportunity Program**
The transition to college is rarely easy. The Educational Opportunity Program is designed to improve support of first-generation, low-income and historically disadvantaged students. From mentorship programs to career counseling, the program provides enrichment opportunities as well as admission, academic, and financial assistance to help disempowered students find their power.
